Independence Day

“India is a dream, a vision, and a hope of the greatest nation in the world.” – Jawarlahal Nehru

On August 15, 1947 India gained independence from the British Rule. Independence Day celebrates justice, equality, and self-determination. It reminds us of the sacrifices made by our freedom fighters and strives to build a better India.

At TIPS the Independence Day celebrations started on the 12th of August with a display of inspiring slogans and posters designed by our students. On August 13, 2024, it was a moment of pride and respect when we celebrated our Independence Day. We honoured our IGCSE 2023 toppers by having them hoist our national flag. Our students gave patriotic and spirited performances. The programme concluded with the pledge and our national anthem.

Parent-Teacher Meeting

Parent-Teacher meetings help to promote a positive environment and outcomes for the students, facilitators, and parents. The Parent-Teacher meetings at TIPS took place in the month of August for Grades 6 – 9. It provides an opportunity for parents to discuss and review their child's progress and other concerns with the subject teachers. It also serves as a platform where parents and teachers can share past learning experiences and plan for future possibilities of the students.

Creative Recitations

An incredibly valuable means of human expression is storytelling which is an interactive art form that dates back to thousands of years. It is employed to tell a tale in the most intriguing, engaging way imaginable. We had renowned international story tellers from New Zealand, Japan, Russia, and India, who with their enchanting stories enraptured our students on August 29, 2024. The session was very interactive and the students emersed themselves in the characters, taking back home sweet memories to cherish.

Talent Mania

“Great things are done by a series of small things brought together.” – Vincent Van Gogh

Our School hosted an exhilarating performing arts festival, as an event that celebrated the incredible talents of our students in music, dance, and drama. Held on 31st of August, 2024, this vibrant show brought together students from grades 6 – 9 to showcase their talents by means of their theatrical skills of confidence, creativity, and imagination. Students exhibited their vocal talents and instrumental skills; their choir delivered a stunning rendition while the band wowed the audience with their energetic performance. The synergy between dance and drama evident, seamlessly integrated both elements, allowing students to express their artistic vision in innovative ways.
